UPDATE: HOMICIDE VICTIMS IDENTIFIED

UPDATE (5/9/22): The two victims in Friday morning's homicide have been identified as Gerald Randle, age 38, and his brother, Andrew Randle, age 37. Both lived in Portland and the medical examiner determined they died of gunshot wounds.

Detectives have spoken with several people in connection with this case. If you have any information that may help the investigation and you have not yet spoken with an officer, please call the Tigard Police tip line at 503-718-COPS or email tips@tigard-or.gov. While contact information is appreciated, you can remain anonymous.

ORIGINAL (5/6/22): A homicide investigation is underway at a Tigard hotel, where two people were found dead early this morning.

At 1:30 AM, Tigard Police and officers from several neighboring agencies responded to a call of a disturbance with a weapon at the Embassy Suites hotel (9000 SW Washington Square Road). Witnesses reported hearing possible gunshots. After a search of the building, officers found two men dead.

Investigators don't believe there's any ongoing threat to the community. Detectives are working to identify a suspect in the case, who investigators believe left the scene.

Although everyone connected with this incident who has been identified to this point in the investigation is from Portland, we have not been able to connect this incident to a separate overnight shooting at a hotel in Portland.

The Washington County Major Crimes Team is taking the lead in this investigation.
