### **Upcoming DUII Enforcement**

Tigard Police officers will be joining other police agencies throughout Oregon for a special DUII enforcement from August 25<sup>th</sup> through Labor Day weekend.

Officers will be using federally-funded overtime hours to conduct the special enforcement, watching out for drivers who are under the influence of drugs or alcohol.

Every year, officers with the Tigard Police Department make dozens of DUII arrests – often for people who have a blood alcohol content (BAC) of two or three times the legal limit. Each one of these cases represents a grave danger to not only the driver, but everyone else on the road.

If you choose to use alcohol or drugs, please arrange for a designated driver, call a ride, grab a bus, or take a cab home.

The grant is made possible thanks to the National Highway Transportation Safety Administration, in partnership with the Oregon Department of Transportation and Oregon Impact.
