

APRIL 2019 BULLETIN #2 TIGARD POLICE DEPARTMENT STRATEGIC PLAN UPDATE

Biannual Update

This is our second update since implementing our strategic plan. We have accomplished a lot and have made significant strides in the past six months. The two most significant achievements:

- Successfully converted our records management system to Mark43, allowing our officers to more efficiently complete reports.
- Obtained accreditation certification from the Oregon Accreditation Alliance. The Department met all 103 standards and are meeting industry best practices.

Strategic Priorities

Efficient Use of Technology and Data:

- FileonQ and Evidence.com evidence integration in process
- New MDC Panasonic Laptop and iPhone deployment.
- Can You ID Me? webpage implementation

Strengthen Community relations:

- Chat w/ Chief events, Community Dinner to build trust between police and marginalized communities

Professionalism:

- Two supervisors certified in Force Science Analytics
- Three supervisors certified in Police Legitimacy and Procedural Justice

Responsive Organizational Structure:

- Creation of Traffic/Training Sergeant position
- K-9 Diesel cross-trained as a narcotics detection and generalist

Vision

Tigard Police are the guardians of the community. We are an engaged, resilient and progressive department working to make Tigard safer and more livable.
