RESULTS AVAILABLE FROM DUII ENFORCEMENT

The results are now available from a special DUII enforcement that was held over the holiday season, from December 15th – January 2nd.

During that time, Tigard officers:

- Worked **52** hours on the enforcement mission
- Made **7** arrests:
 - 5 DUII alcohol
 - 1 DUII drug
 - 1 driving while suspended
- Issued **12** citations:
 - 6 speeding
 - 2 driving while suspended
 - 4 other citations (no valid license, driving uninsured, failure to obey a traffic control device, etc.)
- Gave **33** warnings:
 - Primarily for speeding, but also no headlights, failure to obey a traffic control device, etc.)

While we consider this to be a very successful enforcement, we also recognize that the best outcome is drivers making safe and responsible decisions, resulting in officers not having to take *any* enforcement action.

Officers with the Traffic Safety Unit and patrol division regularly participate in special enforcement missions throughout the year focused on a variety of safety issues, including DUII, distracted driving, pedestrian safety, seat belts and car seats.

These are made possible thanks to federally-funded overtime in partnership with the National Highway Traffic Safety Administration, in partnership with the Oregon Department of Transportation and Oregon Impact.
