### **UPCOMING SPEED ENFORCEMENT**

Officers with the Tigard Police Department will be joining others across Oregon in a special speeding enforcement at various times from January 20<sup>th</sup> – March 31<sup>st</sup>.

During this enforcement, officers will be working overtime to address problem areas for speeding and traffic crashes throughout the city, which are identified based on statistics and community complaints.

The goal is to reduce speeding in Tigard and statewide. In raising awareness to the dangers of speeding, organizers hope to change driver behavior and make the cultural norm around speeding unacceptable, resulting in fewer crashes, injuries and deaths.

While the primary focus of the operation is violations related to speeding, officers may address any violation they see in the course of the enforcement.

This enforcement is made possible thanks to federal grant funding provided by the National Highway Traffic Safety Administration, in partnership with the Oregon Department of Transportation and Oregon Impact.
