14 ARRESTED IN PROACTIVE SHOPLIFTING ENFORCEMENT

In an effort to deter shoplifting, Tigard Police held a proactive enforcement targeting theft suspects at retail stores, which led to the arrests of 14 people.

On Saturday, February 4th, the enforcement was simultaneously held at three major stores in the Washington Square area as detectives in plain clothes worked with loss prevention employees and patrol officers to identify and apprehend potential shoplifting suspects.

In addition to the 14 arrests, investigators recovered more than \$4,000 in merchandise, shoplifting tools and a small number of blue pills that likely contain fentanyl.

The goal of the enforcement is to deter criminal activity and hold people accountable. The Tigard Police Department has seen shoplifting become more violent in recent years as people arm themselves or fight with loss prevention, sometimes leading to physical injury.

Detectives would like to thank Tigard patrol officers for their help in making these arrests and transporting people to jail. They would also like to thank members of the Beaverton Police Department and Clackamas County Sheriff's Office for joining us for this enforcement to provide additional coverage inside the stores.

The following people were arrested:

1. **Austyn Yroz-Atnip: age 25**
 - 6 warrants
 - Theft 2
2. **Jeremy Pace: age 37**
 - Theft 2
