### **23 ARRESTED IN PROACTIVE SHOPLIFTING ENFORCEMENT**

A proactive shoplifting enforcement led to the arrests of 23 people in Tigard recently.

On Thursday, May 4<sup>th</sup>, Tigard Police detectives and patrol officers partnered with loss prevention employees to proactively watch for people engaged in shoplifting at several major retail stores in Tigard. Over the course of the 8-hour enforcement, nearly two dozen people were arrested – including several teenagers. Officers also recovered roughly \$10,000 in stolen merchandise and blue M30 pills which likely contain fentanyl.

These enforcements are held at various stores in Tigard throughout the year to deter criminal activity by showing that officers are taking proactive measures to keep our community safe. Shoplifting enforcements like this are becoming common throughout the Portland metro area and we'd like to thank members of the Beaverton, Tualatin and Vancouver police departments for their help with this mission.
