UPCOMING SEAT BELT AND CAR SEAT ENFORCEMENT

Tigard Police officers will be taking part in an upcoming special enforcement focused on proper seat belt and car seat use.

The enforcement will be held from August 21st – September 3rd as summer vacations wind down and families get back in their fall routines. During this time, law enforcement agencies throughout Oregon will use federally funded overtime to educate the public about safety belt and child seat laws, including a law passed in 2017 requiring children to ride in a rear-facing car seat until at least age 2.

Crashes are the leading cause of death for kids ages 1-12 in the United States. It's estimated that car seats may increase crash survival by 71% for infants and by up to 59% for toddlers ages 1-4.

In 2021, half the people who died in crashes across the U.S. were not wearing seat belts. The importance of proper seat belt and car seat use cannot be overstated.

This enforcement is made possible thanks to federal funding from the National Highway Traffic Safety Administration, in partnership with the Oregon Department of Transportation and Oregon Impact.
