HIT-AND-RUN INVESTIGATION UNDERWAY

A hit-and-run investigation is underway after a woman was hit by a car and went to the hospital with life-threatening injuries.

At 8:53PM last night (9/18/23), officers responded to the crash on SW Hall Blvd near SW Pfaffle Street. When they arrived, a 45-year-old woman was in the roadway with critical injuries. She was taken to the hospital.

Officers spoke with her boyfriend and learned he had been driving down SW Hall Blvd in the southbound lane with the woman as his passenger. He pulled into the center lane and got out of his car to retrieve an item that had been thrown from the car window. He heard a thud and realized the woman had also gotten out of the car and was hit by another vehicle traveling in the southbound lane. That driver left the scene.

The Washington County Crash Analysis Reconstruction Team (CART) responded to the crash. CART is a multi-agency team of specially trained law enforcement officers from the Sheriff's Office, local police departments and the Washington County District Attorney's Office. The team investigates and reconstructs traffic crashes that may result in the prosecution of felony assault or manslaughter charges. The team can also assist with diagramming crime scenes.

Tigard Police Detectives are continuing to investigate. If you have any information that may help, please contact Det. Kaci Mace at 503-718-1800 or kaci.mace@tigard-or.gov.

The Tigard City Council has a goal to improve public safety on Hall Boulevard in particular. The City is continuing to work to transfer this urban arterial from the state to the City.
