### **HOMICIDE INVESTIGATION UNDERWAY**

Tigard Police officers responded to a welfare check Monday evening that led to a homicide investigation which is now underway.

*Investigators at the scene, 12/18/23.*

At about 9:36 PM on Monday 12/18, a caller reported a man slumped over inside a parked car in a parking lot in the 9300 block of SW Washington Square Road. The caller reported hearing “pops” a few minutes earlier. Responding officers and medics confirmed the man in the car was deceased and had been shot.

The parking lot was taped off as the crime scene was processed Monday evening. At this stage in the investigation, detectives believe the victim was specifically targeted and that this was not a random attack. Because of this, investigators do not believe there is an ongoing threat to the general public in the area.

The victim will not be named until his identity is confirmed and his family is notified of his death. Detectives are working to pull surveillance video and gather additional evidence as the investigation continues.
