RESULTS FROM TRAFFIC SAFETY ENFORCEMENTS

The results from recent traffic safety enforcements are now available.

Over the months of January and February, Tigard Police officers worked 83.5 grant overtime and match time hours on dedicated traffic safety enforcement missions, including:

- DUII enforcement over Super Bowl weekend
- Seat belt enforcement
- Speed enforcement
- Distracted driving enforcement

During this time, they took 248 actions, which included making 2 arrests and issuing 246 citations and warnings:

- 2 arrests – driving while suspended and an outstanding warrant
- 69 citations – including speeding, safety belt violations, driving while suspended, expired registration, driving without a license, driving while uninsured
- 177 warnings – including speeding, seat belt violations, driving without a license, failure to drive within a lane, failure to obey a traffic control device, expired registration, failure to carry proof of insurance, improper u-turn

Officers take part in safety enforcements like this throughout the year to educate people about traffic safety and enforce traffic laws, thanks to federally-funded grant dollars from the Oregon Department of Transportation in partnership with Oregon Impact.
