RESULTS FROM RECENT TRAFFIC SAFETY ENFORCEMENTS

Results are now available from two recent traffic safety enforcements Tigard Police officers participated in.

During two dedicated speed enforcement missions, officers:

- Worked a total of 3 hours on a Speed grant
- Took a total of 11 actions:
 - 5 citations issued for speed
 - 5 warnings issued for speed
 - 1 citation issued for expired registration

Officers with the Tigard Police Traffic Safety Unit regularly participate in traffic safety enforcements throughout the year for a range of traffic safety concerns, including speeding, distracted driving, DUII, pedestrian safety, seat belts and car seats. These are generally made possible thanks to federally funded overtime hours from the National Highway Traffic Safety Administration, in partnership with the Oregon Department of Transportation and Oregon Impact.
