TRAFFIC SAFETY ENFORCEMENT RESULTS AVAILABLE

The results are now available from recent traffic safety enforcements.

In April, officers conducted special enforcements for Distracted Driving Month and a focused enforcement on 4/20, a date known to be significant for marijuana use.

In total, officers worked a total of 25.75 OT and match grant hours and took 82 actions, including:

- 1 arrest (DUII – alcohol)
- 23 citations, including driving while suspended, speeding, distracted driving, seat belt violation, driving uninsured, failure to renew registration and failure to obey a traffic control device
- 58 warnings, including failure to update address with DMV, failure to maintain lane, illegal u-turn, lack of proof of insurance, driving outside of restrictions, expired tags, failure to display plates and illegal window tint

Traffic Safety Officers take part in special enforcement like this throughout the year, focusing on a variety of safety concerns including speeding, distracted driving, DUII, seat belt/car seat use and pedestrian safety.

These enforcements are made possible thanks to federal grants from the National Highway Traffic Safety Administration, in partnership with the Oregon Department of Transportation and Oregon Impact.
