Temporary Delay Issuing Photo Enforcement Citations for Red-Light Violations in Tigard

All photo enforcement cameras in the City of Tigard have been turned off until construction permit standards, required by the Oregon Department of Transportation (ODOT), are met. The systems will remain off and no citations will be issued until the photo enforcement contractor has completed the work necessary at each intersection. Once a final ODOT inspection has been completed and an intersection is authorized to go back on-line, the City will communicate further.

As a reminder, photo enforcement equipment has been installed at the following intersections:

- SW Pacific Highway (99W) and Hall Blvd
- SW Pacific Highway (99W) and 72nd Avenue
- SW Pacific Highway (99W) and Durham Road
