DUII High Visibility Enforcement Safety Campaign Yields 1 Arrest

The most recent High Visibility Enforcement Campaign (HVE) was conducted during the 2019 Super Bowl weekend and yielded one DUII arrest. Two patrol officers, working 8.75 hours on this detail, arrested one driver for DUII and issued 11 other warnings and citations, including one driving while suspended.

Tigard Police plan to continue participation in this grant-funded program that allows extra police officers to primarily focus on arresting impaired drivers. The National Highway Traffic Safety Administration sponsored campaign is credited with improving the safety of our roads, especially during the holidays and other times when impaired driving typically increases. The next planned HVE is scheduled for St. Patrick's Day weekend, March 15th-17th.
