THE STARTERS

Incentives

We can provide incentives for an upcoming walk or bike event. We have fun pencils, reflective accessories, snacks and more for students.

Printing & Design

Promoting a walk or bike event or have a new idea? We can design and print posters, flyers, yard signs, maps or materials for you to post around the school and community.

Your Connection

We can navigate transportation inquiries or concerns between the City of Tigard and your school.

classics

Walking School Bus

A walking school bus is a group of students walking together with one or more parents. Let us help plan your route, organize and get everyone excited!

Walking Wednesdays

Walking Wednesdays are walk and bike to school events the first Wednesday of each month.

Park & Walk

Park & Walk means driving to a location near your school and walking the rest of the way. Let us help organize, advertise, and more.

Bike Train

A bike train is a group of students riding to school with a parent volunteer. We can help with route planning, organization, and meeting with interested parents.

Frequent Punch Cards

Children are given a special card, and each day they walk or bike to or from school, the card is punched. When the card is full, they can fill it up for a prize!

Bike Fairies

Surprise students who bike to school with a little encouragement note attached to their handle bars. After school, students get a sweet surprise and an acknowledgment for biking that day.

HOUSE specials

Walk & Bike to School Day

Join the rest of the nation in walking and biking to school the first Wednesday in October and the second Wednesday in May.

Golden Sneaker Competition

A friendly challenge between schools that rewards the school with the greatest number of students who walk or bike to school.

LOCAL FAVORITES

Tigard Safe Routes to School Success Stories

Walking Wednesdays

@ Templeton and Mary Woodward

Both schools organize a monthly walk and bike to school day. Park and walk locations allow families to meet about a half mile away and walk or bike to school together.

Pedestrian Safety Education @ C.F. Tigard

All 3rd graders will learn pedestrian safety skills and how to walk safely on sidewalks and cross streets.

Bicycle Safety Education

@ Metzger

All 5th graders learn bicycle handling and traffic skills to reduce barriers for safely getting to and from school, as well as traveling around their neighborhoods.

Trekker Frequent Punch Card

@ Templeton

Templeton students are given a special card, and when they have accumulated ten punches, they receive a golden roar!

No Parking Zone @ Mary Woodward

A no parking zone was created to improve the circulation of buses getting in and out of the driveway and improving visibility of those using the crosswalk in front of the school.

Leading Pedestrian Interval @ Durham

A special pedestrian signal that improves visibility of pedestrians at SW 79th Avenue & SW Durham Road.

sweetSUCCESS

Regional Safe Routes to School Success Stories

Bike Trains @ Sabin Elementary

Sabin Elementary in NE Portland organizes two weekly bike trains. Families meet about 1/5 mile from school and bike together.

Bike Fairies @ Beach Elementary

Bike fairies surprise students who bike to school at Beach Elementary in North Portland with a little treat and a note of encouragement.

Oregon School Pool Program @ Eugene

Via www.drivelessconnect.com, parents connect with other parents who are looking to team up and create a carpool, walking school bus or bike train.
